

GENERAL PERSONNEL

Recognition For Service

The School Board will recognize District employees through the established program of recognition approved by the Superintendent. The program consists of a Monthly Recognition Program designating either personnel, students, or parents for that month. There is also an Awards program to recognize the following:

Master Potter Award – For outstanding Teacher of the Year nominated by their peers

There is an ongoing plan to add more awards in later years as approved by the Superintendent through representatives of administration and board.

ADOPTED: April 3, 2007
