

## **School Board**

### **School Board Meeting Procedure**

#### **Agenda**

The Board President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require discussion or explanation before School Board action. Any Board member may request the withdrawal of any item under the consent agenda for independent consideration.

Items submitted by Board members to the Superintendent or the President shall be placed on the agenda. District residents may suggest inclusions for the agenda. Such suggestions must be received by the Superintendent at least one week before the School Board meeting. Items not specifically on the agenda may still be discussed during the meeting.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of School Board Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

#### **Voting Method**

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of “abstain” or “present,” or a vote other than “yea” or “nay,” or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes shall be rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote shall be taken and entered in the Board’s minutes.

Statutory exceptions include, but may not be limited to, the following circumstances:

1. A motion to dismiss a teacher for any reason or cause other than reduction of staff or elimination of that position shall be approved by the majority vote of all its members.

2. A resolution directing the sale of District real property or improvements thereon shall be approved by at least two-thirds of the School Board members.
3. A motion or resolution to make or renew a lease of school property to another school district or municipality or body politic and corporate for a term longer than 10 years, or to alter the terms of such a lease whose unexpired term exceeds 10 years, shall be approved by a vote of two-thirds of the Board's full membership.
4. A motion or resolution to lease any building, rooms, grounds and appurtenances to be used by the district for school or administration purposes for a term longer than 10 years, or to alter the terms of such a lease whose unexpired term exceeds 10 years, shall be approved by a vote of two-thirds of the Board's full membership.
5. A motion or resolution to obtain personal property by lease or installment contract shall be approved by 2/3 of the Board. "Personal property" includes computer hardware and software and all equipment, fixtures, and improvements to existing district facilities to accommodate computers.

Any School Board member may request that his vote be recorded and, he may append a statement explaining it.

Any School Board member may request that his vote be changed prior to the result of the vote being announced by the President.

### Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted "yea" and "nay";
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the

specific exception contained in the Open Meetings Act authorizing the closed meeting;

7. A record of all motions, the members making the motion and the second; and
8. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

Minutes distributed prior to Board approval must be marked "unofficial". The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting.

At least semi-annually in an open meeting, the Board: (1) reviews minutes from closed meetings that are currently unavailable for public release, and (2) decides which, if any, no longer require confidential treatment and are available for public inspection. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release.

The Board's meeting minutes must be submitted to the Board's Treasurer on the first Monday of April and October, and at other times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 7 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member. Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection. The minutes shall not be removed from the Superintendent's office except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within 7 days after the Board approves them; the minutes will remain posted for at least 60 days. ONLY OFFICIAL MINUTES WILL BE POSTED ON THE WEBSITE. (Required only if district has a website maintained by a full-time staff member.)

### Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure

location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may listen to verbatim recordings when that action is germane to their responsibilities. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

#### Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, or (3) a family or other emergency. If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

#### Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use Robert's Rules of Order, Newly Revised (10th Edition), as a guide when a question arises concerning procedure.

#### Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Requests for special needs, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 2 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.
