R.S.

LABOR: Technicians are paid for all travel, diagnosis, repair, research, part acquisition and other job-related tasks. Labor charged on invoices will reflect these efforts. Every reasonable attempt will be made to expedite this work in a timely manner.

MISC. SUPPLIES: May include, but not limited to, shop towels, hand cleaners, lubricants, aerosols, grinding discs, sanding cloth, small drill bits, wire connectors, fasteners, trade tool maintenance, repairs and replacement, batteries, sealants, tape, etc.

SHIPPING/HANDLING: Includes charges from suppliers to ship all the items we use, and handling expenses to research, order, receive and restock those items.

TRUCK CHARGE: Includes all associated costs for operation of tech vehicle such as fuel, oil changes, maintenance, repair, monthly lease, interest, depreciation, licensing, inspections, and insurance.

LIMITED WARRANTY: All materials, parts, and equipment are warranted by the manufacturers' or suppliers' written warranty only. All labor performed by Johnson Mechanical Service (JMS) is warranted for 30 days or as otherwise in writing. JMS makes no other warranties, express or implied, and its agents or technicians are not authorized to make any such warranties on behalf of JMS.
