

Kroger Community Rewards - A great way to support our schools

Supporting our schools has never been easier. When you shop at Kroger, scan your Plus Card.

It's FREE and simple.

Here's how to enroll.

- 1) Visit [www.kroger.com/communityrewards](http://www.kroger.com/communityrewards)
- 2) Scroll down to find your location and store
- 3) Sign in to your Kroger Rewards account or create an account
- 4) Select the school or enter the school's NPO code that you would like to support

You will start earning rewards for a school just by shopping. It will not affect your Rewards points or fuel points. Kroger donates a portion of what you spend to the school of your choice.
