

School District Organization

School District Philosophy

The School District, in an active partnership with parents and community, will promote excellence in a caring environment in which all students learn and grow. This partnership shall empower all students to develop to their fullest capacity in the areas of mental, physical and emotional needs and to become responsible learners and decision-makers. The School District is committed to developing and using a visionary and innovative curriculum, a knowledgeable and dedicated staff, and sound fiscal and management practices. The District is committed to provide the highest moral, ethical and professional leadership.

The School Board, working with the Superintendent, shall identify the community's desires and needs for its students, and shall maintain a philosophy and list of goals as a guide to the development and maintenance of the educational program.
