There are two scheduled tryout sessions for each grade level. To be considered for a Morton Heat Travel or Travel-lite team, a player must attend at least one tryout session. In the event that a player attends both sessions, the player's highest score will be utilized. *Players are highly encouraged to attend both dates.* Players must be registered to participate in tryouts.

Only online registrations will be accepted to participate in tryouts.

For more information or to register, visit the website www.mortonheat.org.

The goal of **Morton Heat Basketball** is to provide Morton area boys and girls the opportunity to participate on a Morton Heat Travel team, Travel-lite team, or In-house team to learn and practice the fundamentals of basketball in a structured setting and to experience basketball at a competitive level against other teams their age.

Morton Heat Travel and Travel-lite Basketball teams have approximately 30 games scheduled for each team, which are normally played on weekends beginning in mid-November and continuing through February. Morton Heat Travel-lite team players are required to participate in the Morton Heat In-house Basketball program and the players' games are a combination of Travel-lite and In-house games. Players will normally practice twice a week.

Morton Heat In-house Basketball consists of teams practicing one day a week and competing in league scheduled games on Saturdays, with a tournament scheduled at the end of the season. Please visit www.mortonheat.org for further information and for online registration.
