

MORTON DISTRICT 709

- STIMULATE LIFE-LONG LEARNING
- GRADUATE PRODUCTIVE INDIVIDUALS
- CHALLENGE ALL TO ACHIEVE AT THEIR HIGHEST POTENTIALS

Board of Education Meeting Highlights

October 1, 2019

Morton Education and Administration Center

Administrative Reports:

- ◆ Board of Education recognized and thanked the District Principals—
Principal Appreciation Week is October 20—26
- ◆ Superintendent's Report:
 - ⇒ Teaching and Learning Council (formerly CAC) met on September 18 with 60 participants.
 - ⇒ The Robotics team has received funding from Caterpillar through the efforts of Tim Koch, CAT STEM Program Manager.
 - ⇒ Attended the IASA Annual Conference in Springfield (IL Assoc. of School Administrators)

Discussion Item—

Jeff Keach of Keach Architects gave an update on the plans for Phase 2 at the Jr. High. He presented a 3D computer model and floor plan of the addition design. The model illustrated what it would look like with and without the Alternate Bid lobby portion. The project will go out for bids in early November with a contract to approve at the December board meeting. The Jr. High office addition should be ready to move into by the end of this calendar year. After the office has moved, the existing office space will be remodeled into classroom space and teacher's lounge.

If you wish to learn more about a subject, you may view an archived broadcast of the meeting on [MPTV](#) available on the District website; and/or watch our website for posted minutes after being approved by the Board of Education.

Emily Stubbs—School Board Secretary
