Arbor Management to Offer Free Curbside Pickup Lunches

Effective Tuesday, March 17, 2020, Arbor Management will be providing free curbside pickup lunches for Morton school students and younger siblings who are 1-year-old or older. The service will run weekdays from **11:00 AM - 1:00 PM until March 30, 2020.**

Arbor Management will provide a lunch for the day and breakfast for the following day in the same pickup. The meals are free to all children, regardless if they have a free/reduced lunch meal plan. Parents do not have to be present. Students can walk-up to door for pickup.

Arbor Management would like all who may be interested in the lunch pickup to sign up by filling out the form using the link [here](#) or by calling (309) 284-6330. This will help Arbor prepare the number of meals needed. You only need to submit this form one time, not daily. Families are encouraged to sign up. However, no child will be turned away if they did not sign up.

There will be 2 pickup locations:

1. Jefferson School's cafeteria doors on Adams Street for the Grundy, Jefferson, and Lincoln students.
2. Morton High School's Bertha Frank Auditorium doors for the Lettie Brown, Morton High School, and Morton Junior High School students.

If you have children at multiple school, please pickup at location 2, MHS Bertha Frank Auditorium doors. Bethel Lutheran and Blessed Sacrament students can choose whichever location is closer to their home.

If a child, who is 1-year old or older, and does not attend one of the school locations and is need of a meal, call 284-6330.

Although Arbor Management can't specify what will be served for each meal, the meals will comply with the same nutritional guidelines set by the federal government for school lunches.
