To further reduce hand-to-hand exposure, parents picking up lunches in a vehicle are asked to have an empty passenger seat available near a window that can be rolled down. Lunches can also be placed in the trunk of the vehicle if needed.

Meals are free to all children ages 1-18 years, regardless of meal plan status. Parents do not have to be present. Students may pick up food on their own.

If you have children at multiple schools, please pick up at Morton High School: Bertha Frank Auditorium doors (Jackson Street entrance). Bethel Lutheran and Blessed Sacrament students can choose whichever location is closer to their home.

Arbor Management would like all who may be interested in the lunch pickup to sign up by filling out the form using the link [here](#) or by calling (309) 284-6330. This will help Arbor prepare the number of meals needed. You only need to submit this form one time, not daily. Families are encouraged to sign up. However, no child will be turned away if they did not sign up.

If a child, who is 1-year old or older, and does not attend one of the school locations and is need of a meal, call (309) 284-6330.

Although Arbor Management can't specify what will be served for each meal, the meals will comply with the same nutritional guidelines set by the federal government for school lunches.
