## Morton High School to host Honors Night

Morton High School (MHS) is proud to announce that Honors Night will be held at 7 p.m. Monday, May 3 at the Bertha Frank Performing Arts Center, 350 N. Illinois Ave.

Honors Night pays tribute to MHS students who have achieved academic success, while also recognizing scholarship contributors. Thousands of dollars in scholarship awards from various donors will be distributed to students over the course of the evening. Morton Community Unit District 709 cannot thank them enough for their generosity to our students and for their contributions to their collective futures.

Students who have achieved this distinction will receive a formal invitation. Each student may bring two guests. Masks are required.

The event can be accessed by clicking “Stream Online” at [www.morton709.org/mptv](http://www.morton709.org/mptv), or via the [Morton High School Facebook page](#).

Please feel free to join us in this celebration of our MHS scholars.
